

We don't want to be a big race... Just your favorite small one.

Welcome to the Miracle Match Weekend!! Toughest in Texas, No Bull...

So how goes the hill training? The hay is in the barn, folks, so enjoy your Miracle Match Weekend and get ready to meet your new favorite race. When you cross the finish line, you will not only have done something worthwhile for your health and your ego (we know who you are), you will have also helped to raise funds for the "Be the Match Registry", operated by the National Marrow Donor Program, a nonprofit, life-saving organization. You will be able to join the Marrow Donor Registry at any point

throughout the weekend if you are between the ages of 18-44 and in general good health (and we are betting you are), providing you the opportunity to give the greatest gift of all, a second chance at life for a desperately ill cancer or blood disorder patient. You have worked hard to get here. We want your race day experience to be a memorable one, and we are doing everything we can to make that happen!

See you on the Bridge!

Nancy & Debbie

Our Mile Marker Honorees

Just one of the many things that sets our Miracle Match weekend apart from other racing events are our Mile Marker Honorees. Each mile of each race has been named in honor or memory of a marrow or stem cell donor, recipient, patient searching for a match or advocate. We invite you to read about these incredible people on the posters outside the expo.

What is the Phoenix Challenge?

You may notice runners sporting either a second bib that says "Phoenix Challenge," or runners with a big "P" on the corner of their race bib. These

runners are our Phoenix Runners who are running the 5K on Saturday, then rising up to run either the half marathon, full marathon or Ultra marathon on Sunday. These runners earn a special commemorative and (of course), more bling!

Can't stay for the award presentation for your event?

We will be happy mail your very special medal to you should you place in any event (aren't small races great?) Medals will be mailed by email request only and there is a \$5 fee to cover postage and handling. To request to have your award medal mailed, email the us at mira-clematch2017@yahoo.org. It will take us from 2 to 4 weeks, so please be patient.

THANK YOU to our 2019 Sponsors!

YOU CAN TRACK YOUR RUNNER THROUGH RACEJOY!!

Racejoy is a mobile app for live runner tracking and cheers. If you carry your phone with you during the race, you can receive GPS alerts at mile points, people can track your cute little blue dot along the course and send you fun cheers or – lucky you – heckles.

We will also have the live tracking on TV screens at the start/finish line allowing for even better stalking of your loved ones, your competitors, your frienemies. Last year we charged for this benefit, but this year KWTX has graciously sponsored it, making it free to athletes and spectators alike.

Download RaceJoy and start exploring

Finisher Food:

Saturday races - snacks available at the finish line including orange juice and milk donated by Oak Farms and bottled water from Dasani. There is also a pancake breakfast provided by the Sykora's of the Catholic Church in West. Donations will be accepted to cover costs; everything else goes to Be the Match.

Sunday - Party on the Bridge:

All participants can expect a party on the bridge with brisket fajitas sponsored by the Texas Beef Council. Our award winning Cookin' Cowboys will start cooking at 10:00. In addition, Mars Snackfoods, Inc. is providing candy, to satisfy your sweet tooth. Water and Sodas will be provided by Coca Cola Bottling to keep you hydrated and caffeinated! Lunch is donated for our runners only. However, if 'athletic supporters' want to partake, they can make a suggested donation of \$15 or more to help cover our costs and increase the amount of funds raised for Be the Match.

Beer & Wine:

Sauza Tequilas, The Motor Shop, Miller Lite, Coors Light, and Glazer Distributing have graciously provided our 'adult' (we use that term loosely) athletes with beer and wine to celebrate the finish line. You must be 21 years of age or older to consume. Please know security will be on site to control consumption and age limits; be prepared to show proof of age, no matter how old you look after all those hills. Thank you in advance for your cooperation; Party On!

Make TODAY the day you save a life!

Come by the Be The Match booth this weekend and find out how YOU can save a life just as many of our Mile Marker Honorees have done. If you are between the ages of 18 - 44, a simple swab of your cheek will put you on the registry TODAY.

Already on the registry? Come by our booth and let our staff double check your status on the registry. Finding a donor quickly can make all of the difference for a patient needing a transplant.

To our Spectators.....

We love our athletic supporters! Almost all roads will have at least one lane open - the only exception is Austin Avenue, which will be completely closed to traffic beginning at 7:00 a.m. Cameron Park will also be closed to traffic beginning at 7:00 a.m. Most other roads have one lane open so this is a very spectator friendly race. We ask that all spectators waiting on the bridge for "their" runner stay on the side walkways of the bridge, not in the middle, so the runners have a clear shot to the finish line!

A few reminders:

*** Race Location & Parking** - All races begin and end in Indian Springs Park, 113 S. University Parks, downtown Waco, Texas, 76701. It's an easy walk from the downtown hotels to the starting line. If you drive, you can park at the corner of Franklin and University Parks, as well as in the Convention Center and Hilton lots.

*** Thank our Volunteers!** Please remember to thank our volunteers, especially if they are dressed like angels or wearing belly dancing costumes in 23 degree weather!! Give a special thanks to our firefighters on the course—many have been up all night coning and chalking the course for your safety!

***Timing:** – All events except the one mile and Miracle Match KIDS run are timed with a disposable chip timer on your bib. Make sure to keep your bib on and pinned to the FRONT. Please check the information on the label on your bib. If it is incorrect, please see registration BEFORE the beginning of your race event.

*** Bag Drop:** Available Sunday only in a marked area by registration. Please mark your bag clearly with your last name. We are not responsible for any item left in the bag drop, so do not leave valuables there.

*** Pancake Breakfast:** The Sykora's from the Catholic Church in West will be serving up pancakes after our running events on Saturday (donations are VERY appreciated.)

*** Relay Stations:** You are strongly encouraged to provide your own transportation to the relay stations. We do, however, have the Quality Care nursing home van (that's funny) available to transport relay participants to and from the start line to each exchange station that will start it's runs at 7:45 a.m. from the corner of University Parks and Franklin Avenue. Just know you may have to wait a few minutes as it makes the rounds.

*** Medical:** Many of our firefighters are registered EMTs. We also have an ambulance on hand courtesy of the East Texas EMS. All rest stops have emergency contact numbers – please alert the volunteers if you or another runner are in need of aid. The day is looking to be unfortunately a wee bit warm. Plan accordingly – drink early and often, consume salt.

*** Headphones:** Yes, we allow them, but only if you have some Jay Z and Pitbull on your playlist. Seriously, we love running to our music too; we just ask that you be smart and considerate to your fellow athletes.

*** Rest Stations:** 5K course - Rest stop at mile 1.5 Full Marathon, 10K, and Relays - Rest stations every mile to mile and a half starting at mile 1.5.

*** Restrooms:** for the Full and Relay Marathons will be located at mile 2, 5, 7, 11, 13, 15, 18.5, and 23. Restrooms for the Half Marathon will be lo-cated at mile 2, 5, 7 & 10.

*** Electrolyte Gels:** Available on the Full course at miles 18, mile 21, and mile 25.

*** Mile Markers** - Please take a moment during your run to note the very special mile markers this year. Each mile of the race has been dedicated to a marrow or stem cell donor, recipient, or a patient waiting to find a matched donor. We hope as you run your race, you will think about the true “Miracle Match” represented by each of those individuals.

*** Social Media:** Yes, you know it's you... share on our FB page, Instagram, and use our custom snapchat filter on Race Day. It's YOUR MOMENT. Share it!

Finisher and Award Bling!

Saturday Events Awards - The Miracle Match KIDS finishers will receive their completion medal when they cross the bridge (must have MMK bib.) The 5K will have medals for age group winners.

Sunday Event's Finisher and Award Medals

Our unique finisher medals and award medals for the Sunday events have once again been handmade by Waco fire fighter and stem cell donor, Tim Anderson. Awards will be given following the completion of the event.

Full, & Half Marathon Finisher's Bling Upon crossing the finish line, full and half marathoners can expect to receive the fabulous Miracle Match Marathon finisher cap. For those who registered by January 1st, yours has been reserved for you. After that, first come, first serve, so run fast, Forrest.

Phoenix Runners and Jacob's Ladder participants:

Pick up your Phoenix finisher medal, Phoenix commemorative and your Jacob's Ladder commemorative ladder at the award tent when you cross the bridge.

Reminder - roads are not closed to traffic along the majority of the route; be aware of your surroundings. Don't be 'that guy'...
