

Dear Teachers,

We invite your students to participate in a MARATHON - one mile at a time. Kids run or walk 25.2 miles over a period of time, logging their progress. Then when the kids complete the final mile to make it a full marathon, they will have earned their marathon finisher's medal!

Students or classes are encouraged to run the last mile together at the Miracle Match KIDS Marathon on **Saturday, January 25, 2020**. As they cross the final Bridge, they will be presented with their very own custom marathon finisher's medal.

To register your students using paper forms:

1. Give each student a registration form for their parents to complete & sign.
2. Collect the form and the registration fee of \$12
3. Put the student's information on the Group Registration Sheet.
4. Mail the group registration sheet, individual registration sheets and the registration fee to us by JANUARY 1.

To register your students online:

1. Give Parents the following link to the on-line registration page:
