

Dear Team Captain,

Thank you for volunteering your valuable time to participate in the Waco Professional Firefighters Association Miracle Match Race Series! We are excited to have you and your team joining our cause.

You are in for a treat! On the last weekend of January every year, the Central Texas community will band together with other people from all over the world to bring you a one of a kind day of running and walking, followed by a delicious breakfast and celebration party of Waco's Suspension Bridge.

Today, you can make a difference. Get running, get involved, get your friends and/or company involved! As a Team Captain, you will be coordinating team activities, managing your team roster, serving as a liaison between the race staff and your team, and perhaps most importantly, you will be helping generate funds to save the lives of countless cancer patients.

Creating a **team of 10 or more** employees, family members and/or friends to run or walk in the race is a fun way to participate in friendly competition within your community and at the same time, support vitally important local and global causes. For corporate teams, this can also be a great way to display company spirit, as well as unique team building opportunity. Best news is that team members receive a \$5 discount off the \$28 entry fee! Also there will be an award for the largest team!!

We hope to make your job as a Team Captain as easy as possible and supply you with everything you need to organize your team – from forms and facts to guidelines, instructions, and inspiration! We have attached the team roster and fliers for you to display and distribute, as well as entry forms. We strongly encourage you to set up your team online and solicit your team members via email and social media. Online registration can be found at <http://miraclematchmarathon.org>.

Please read through the information carefully. Team deadline for discounted registration fee will be 10 days before the official race date. If you have any questions or need more details, please email us at rockbridgerunner@gmail.com or call us at 254-405-2518.

Thank you for your support of Be the Match!!
